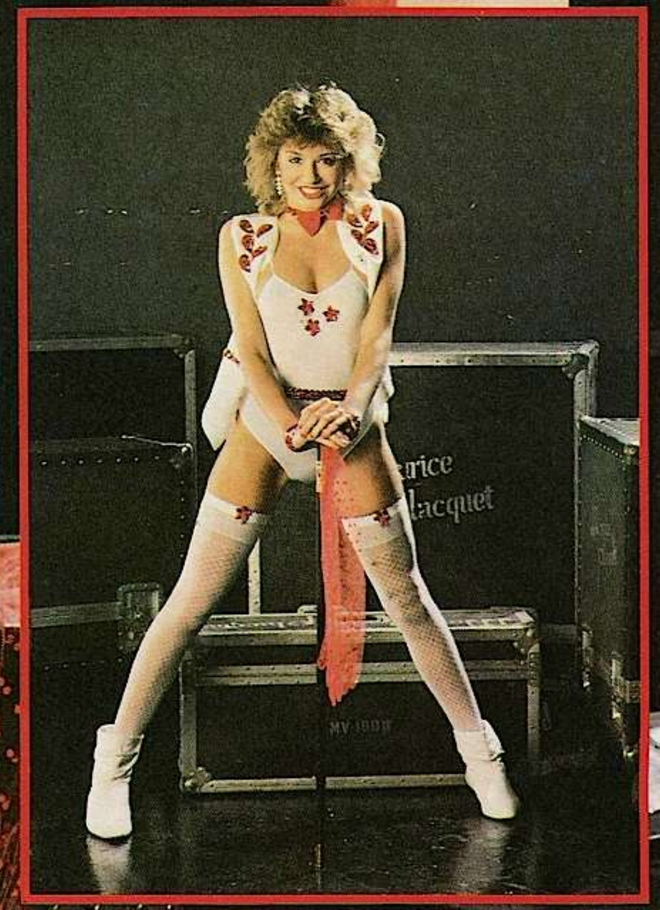
Carla



PHOTOGRAPHED BY RAPHAEL

She was all set to appear on our May cover, but the Editor of Fiesta threatened physical violence upon our persons. He had her ear-marked for his cover. He is bigger than us, even after the diet. So we gave in.

Here, better late than never, is her appearance in Knave. Waiting outside the stage door to meet her favourite rock band — Trux. Actually they're the Editor's favourite rock band — but then she's his favourite model, so it's a fair trade off.

Carla is 19 years old, 34-23-33 and about 5'6" tall. She was once a secretary (for about ten minutes) but now models full time. Marbella, Tunisia, Uxbridge — stuff like that. Ah, it's a glamorous life, this modelling lark ...

KNAVE MAGAZINE

Named because of her parents' love for Shakespeare — in particular of course *Mustard and Cressida* — Cressie is a beautician back home in Denmark and only models part-time. Usually when there's a nice location involved — the West Indies in this case. Our Man Behind The Camera With His Flies Open assures us her figure is beyond mere measurement. Which means he forgot to ask. Sorry about that . . .

Lemmie

'Blind Lemon' Smorgasbord, to be precise. Sweden's premiere basketball player, exclusively photographed for Knave by Bjorn. She's 44-32-46. This surprises you? Look at the basket. That ring is ten feet from the floor. Now look at Lemmie . . .

This girl did it — so could you. If you think you could make it as one of our Amateur Models, fill in the form below and send it in with a few rude nude pictures of yourself. Polaroids will do, at least two completely nude — front and back view.

Terri Robins

Terri is 19 years old, can't remember her measurements, is about 5' 3" tall and comes from Salisbury-ish. She's a secretary with a firm of accountants and bored a lot of the time. She'd like to do more modelling and maybe a few kissagrams. And her boyfriend is bigger than you.

Sorry — competition over. But we'll still pay you £200 for a day's modelling in our studios if we like your polaroids or prints. And £25 to the friend of photographer who took them. If you fancy getting into glamour modelling, there's no better way to start. So why not have a go . . .

As ever the Knave smoothies went into top gear and calmed her fears. The day was a great success, marred only by the Great Gargler. He confused her with a dart-playing acquaintance and challenged her to a game of tactics; 10p in and 10p a miss. She neatly ignored him and he left to buy himself a round . . .
